Happy New Year  
Happy nowhere  
Where are you going?  
Slow, I don't care where  
Where?  
Oh, I'll get there  
I will get there

Monday, one step, Tuesday, two  
I'd crawl on my hands and knees to you  
Wednesday, three, Thursday, four  
I'd break in windows, I'd kick in doors

Friday, walk until I fell  
By the side of the road  
Too tired to tell where I was  
Where were you?  
I don't know  
Where was I?

I wanna be your friend again  
I wanna be your friend again  
I, I wanna be your friend again  
I wanna be your friend again

One, two, three o'clock  
It's too late to start, too late to stop  
Five, six, seven, eight  
I'm walking steady, I'm walking straight

Nine, ten, eleven, twelve, thirteen, fourteen  
You're important to me, you're important to me  
Night and day and day and night  
If I can, I will make things right

I wanna be your friend again  
I wanna be your friend again  
I wanna be your friend again  
I wanna be your friend again

I'm sorry  
For the things I wish I hadn't said

I'm sorry  
For the things I wish I hadn't done  
I'm sorry  
For the way I wish I hadn't been  
I'm sorry

"Hello?"  
"Hi, oh, it's only me"  
(Oh, yeah, be cool, tell him  
It's the woman who loves you more than life itself  
That's what you really want to say)

"Well, you know, it just popped into my head  
Thought I'd give you a call"  
(Oh, yeah, you've been waiting all day  
Getting up the nerve all month)

"Oh, I'm fine, fine"  
(Oh, fine, you are not fine  
You eat, sleep, think him, twenty four hours a day)  
"Oh, you are? Oh good, I'm glad"  
(You are not glad! You hope he burns in Hell with this  
woman  
You're not happy, go on, tell him)

"Oh, every thing's going great, really great"  
(It is not going great! You are miserable twenty four  
hours a day  
All you can do is think about this man  
And you haven't even got the nerve to tell him what you  
really think)

"Yeah, yeah, I gotta go, too"  
"Yeah, I've got a lot, lot of stuff to do"  
(Don't lie! You haven't got anything better to do  
And you know it, than be with him)  
"Yeah, take it easy, bye"  
(Oh, take it easy)  
(Once again, you didn't say anything you really think)

I wanna be your friend again  
I wanna be your friend again  
I wanna be your friend again  
I wanna be your friend again  
I'm sorry
