what I feel inside, sometimes is hard to get out. lost in translation what I'm thinking about. the voices inside... I believe when I hear they come from somewhere between my heart & my ear... INSIDE vs. INSIDE vs. OUTSIDE. OUTSIDE. OUTSIDE. INSIDE vs. there's a war going on here on the inside with what's on the outside where I don't think I belong. it's all so crazy out there when I go outside I like it inside it's so much safer in here. INSIDE vs. INSIDE vs. OUTSIDE. OUTSIDE. INSIDE vs. OUTSIDE. if you could turn yourself turn yourself inside out what would I see then? who's on the inside? behind the cheap paper face what would you be all about? is slowly taking your place. some other someone INSIDE vs. OUTSIDE. INSIDE vs. OUTSIDE. INSIDE vs. OUTSIDE.
