When the sky has fallen  
Like a blanket on your shoulder  
And the moon is like a mother  
Looking over you forever

And the dawn is so familiar  
You were meant to be together  
Like a fog around a mountain  
Forever

So softly, so sweetly  
Surrounding you completely  
Sing you a lullabye, a lullabye to you  
Lullabye, a lullabye to you

When your breathing is the wind  
And your crying is the rain  
Well I know you will remember  
Because the music is forever

The living of a lover  
And the loving of another  
Like a sister and a brother  
Like a father and a mother

So softly, so sweetly  
Surrounding you completely  
Sing you a lullabye, a lullabye to you  
Lullabye, a lullabye to you

When the sky has fallen  
Like a blanket on your shoulder  
And the moon is like a mother  
Looking over you forever

And the dawn is so familiar  
You were meant to be together  
Like a fog around a mountain  
Forever

So softly, so close to me  
You're surrounding me so beautifully

Lullabye, a lullabye to you  
Lullabye, a lullabye to you  
Lullabye, a lullabye to you
