Do you see me  
Do you hear me  
Do you feel how I need to  
Do you heard all my words  
Even making it out of my perilous mouth  
Are you deaf, dumb, and blind..are you even alive

I don't know how to start over  
I don't even know why  
I should try to..but I want to  
And I will if I can  
I will crawl and then sit  
And then stand up again or die trying

This is the sound of a woman in love with a life of a  
woman in pain  
This is the sound of a woman who knows what its like to  
fall down and get up again..

And I wonder who I am  
And I wonder who you are  
And I wonder where we're going, where we're going  
how far  
We can go..I can take you  
We can ?do ?this anything we want to be

And I want to  
Everything is all I have  
And everything is all we needed  
I would give you anything..watch me bleed  
I have nothing to give you but me  
And this is all I can do

This is the sound of a woman in love with her life and  
she's feeling your pain..  
This is the sound of a woman who will catch you if you  
fall and will pick you back up again....

This is the sound of a woman who's sound of a woman  
they've drive'in insane  
this is the sound of a woman..the sound of a

woman..who's sound of a woman.....
