It is complete now the two ends of time are neatly tied
A one-way street, she's walking to end of the line
And there she meets the faces she keeps in her heart
and mind

They say 'good bye' Tomorrow, Wendy, is going to die,
They say 'good bye' Tomorrow, Wendy, is going to die,

Underneath the chilly gray November sky
We can make believe that Kennedy is still alive and
Were shooting for the moon and smiling Jackie's
driving by and

They say 'good try'
Tomorrow Wendy is going to die
Tomorrow Wendy is going to die

I told the priest, Don't count on any second coming
God got his ass kicked the first time he came down
here slumming
He had the balls to come, the gall to die and then
forgive us
No, I don't wonder why, I wonder what he thought it
would get us
Hey, hey, good bye
Tomorrow Wendy's going to die

Hey, hey, good bye
Tomorrow Wendy's going to die
Tomorrow Wendy's going to die

Only God says jump
So I set the time
'Cause if he ever saw her
It was through these eyes of mine!
And if he ever suffered it was me who did his crying

Hey hey, good bye
Tomorrow Wendy's going to die
(Tomorrow Wendy's going to die)
Tomorrow Wendy's going to die
(Tomorrow Wendy's going to die)

Tomorrow Wendy'd going to die

Hey, hey, good bye
Tomorrow Wendy's going to die

Hey, hey, good bye
Tomorrow Wendy's going to die
Tomorrow Wendy's going to die
Tomorrow Wendys going to die
