Well you've never seen
A kat with so much charisma
Got more moves than a mutant Ninja Turtle that is
And I'm doing the Skat Strut
To hell with John Travolta and the Disco Duck
They call me Skat Kat the dance floor maniac
One more of my hip is like an afro-disiac
Swinging and winging
I'm just doing my own thing
Girls don't jump me
Give me room to get funky
Step to the dance bust a title spin
(I thought I saw a putty kat, I did) shut up kid!
This is a new dance so shake your butt
And get a load of what it's like to be doing the Skat
Strut
Now Jack was nimble and Jack was quick
But it was Skat Kat that made Jack trip
I burned him on the butt with a flick of my bic and then I
Cold ran away with the candle stick
I've got all the right moves ladies think I'm
Loveable love to wine and dine sippin' on bubble
But most of all I like dancing y'all
And doing Skat Strut from wall to wall
It's as simple as it gets just stick out your neck
Lift your leg and step to the left
Now shake a little as you groove to the beat
Bent over shake your big booty
And if you get dizzy from shaking your butt
You must have shook the wrong end cause you ain't
doing
The Skat Kat (I thought I saw a putty Kat, I did I did)
As we go a little something like this, hit it
Without question, it's a strut to fame
I can see myself now on the aisles of 'Soul Train'
People want to know if it's meant to be silly
I say only when it's done by 'Milli Vanilli'
This dance is mine a generation of felines
Master this step back in 69
Return of the Skat Strut a brand new dance
(I thought) could but you can't - bust it
Homeboy Fatz why don't you step up to the microphone

And give them a little taste of
Your beat box boy
FATZ Yo man I told you
I don't like nobody telling me what to do
Now I'm a beat box but I'm doing it my way
Anybody got something to say
MC SKAT KAT for those who don't know me
Me name is Skat
I'm the Kat who did the rap in 'Opposite Attract'
Me and Paula did a duo and then I went solo
To grab the microphone and make the ladies go-ho
And now that I've got you at my command
It's my sole opportunity to make you dance
I want all four paws on the dancefloor
Do that strut until your leg get sore
Come on come on come on
