O gosh danger
It's b o d with mc vapour flava
Bringin the vapour for the two raver x3
(I don't smoke the reefa)
It's vapour lyrical professor
Power lungs like air compreser
Womaniser girl caessor
Giving you more but nevr the lesser
Vapour giving you more and batters da door
All rymes glore not any one better then me befor
Power lungs and a super draw

Raw like a dinosaur on the dance floor in the house
choors house of whores world of wars and aof course
santa claus vapour rebel without a cause this ones
coming thourh shut you door 1 0 6. 4

I'm a chewing a fruit am a dressed in yellow I'm mc
vapour the real nice feller in China the pay me in yen
wanting me again and again I'm famous for my lyrical
trend on the news at ten
