In springfield u'll find a family of marge bart lisa and
maggie
and in the front room on the setee
u'll find a father watchin t.v
it's homer, the king of the show
drinking duff beer supplied by moe
common sense it's always a 'no'
and when ever sumthin's wrong he sez 'Doh'
smithers n burns in the power plant
bart can skateboard but maggie can't
and then the old one he's the grampa
and flanders, 'howdy doodly neighbour'
