i remember when i woz at school  
they treated me like i woz a fool  
punished me for try'na act cool  
they sat me in a class facin the wall  
others had a laugh but no fun for me  
i had maths when they had p.e.  
i practised for my gcse  
i woz told the rest were better than me  
in english everyone got c  
not me they gave me a g  
pushed and kicked by all the bully  
cut my head on the ground  
and grazed up my knee  
sent to school on every birthday  
an hours detention every friday  
i had to work when others could play  
so i said f\*\*k this i'll be a dj

but no, i became an m.c.
