.....
i remember when i woz at school
they treated me like i woz a fool
punished me for try'na act cool
they sat me in a class facin the wall
others had a laugh but no fun for me
i had maths when they had p.e.
i practised for my gcse
i woz told the rest were better than me
in english everyone got c
not me they gave me a g
pushed and kicked by all the bully
cut my head on the ground
and grazed up my knee
sent to school on every birthday
an hours detention every friday
i had to work when others could play
so i said f**k this i'll be a dj

but no, i became an m.c.
and all of the kru just listened to me
coz they knew i had potential u see
and they all knew that i had it in me
more respect come day by d'g day
bullys moved rite out of my way

all becoz one day i sed hey
