So you wanna know me now
How I've been
You can't help someone recover
After what you did
So tell me am I looking better?
Have you forgot
Whatever it was that you couldn't stand
About me about me about me?

Because...
Yes I do feel better
Yes I do I feel alright
I feel well enough to tell you what you can do with what
you got
To offer

You wanna know me now
How I've been
You can't help someone recover
After what you did
So tell me am I looking better?
Have you forgot
Whatever it was that you couldn't stand
About me about me about me?

Because...
Yes I do feel better
Yes I do I feel alright
I feel well enough to tell you what you can do with what
you got to offer

Because...
Yes I do feel better
Yes I do I feel alright
I feel well enough to tell you what you can do with what
you got
To offer

On and on and on and on and on and on and has no-
one said...
Stay away, stay away... I'm better

Ye-ea-ea-ea--YES!

Ye-ea-ea-ea--YES!
Ye-ea-ea-ea--YES!
Ye-ea-ea-ea--YES!

I feel well enough to tell you what you can do with what
you got
I feel well enough to tell you what you can do with what
you got
I feel well enough to tell you what you can do with what
you got
I feel well enough to tell you what you can do with what
you got
I feel well enough to tell you what you can do with what
you got
I feel well enough to tell you what you can do with what
you got
I feel well enough to tell you what you can do with what
you got
I feel well enough to tell you what you can do with what
you got..
