"New Friend"

I called you, she answered, got strangled on the way
She gave you the phone, said it was for you
Didn't know, didn't know, didn't know
Didn't know you got yourself a new friend

Well if you need a friend you can call me again
I won't call you 'cause of your new friend

And it's harder than I thought being on my own
Remember you said you needed me there
But it's too late, too late, too late
It's too late and you got yourself a new friend

If you need a friend you can call me again
I won't call you 'cause of your new friend
And if you need a friend you can call me again
I won't call you 'cause of your new friend
