Seems fine though it ain't no, no, no, no
Seems fine though it ain't no
I got to find me a way to flow
Deep in the heart I will seek and find it all

Seems fine though it ain't no, no, no, no
Seems fine though it ain't no
I got to find me a way to flow
Deep in the heart I will seek and find it all

Seems fine, seems fine
Seems fine, seems fine

Though it ain't, though it ain't
Though it ain't
Though it ain't, though it ain't
Though it ain't
