Oh, the light in your eyes
Is not shining the way it used to
And I feel our love is dying

After all the years
The laughter and the tears
Baby please, don't tell me that it's over

I can't stand the thought of you
(Going out of my mind)
I can't see me without you
(Here in my mind)

I can't stand the thought of you
Going out of my mind
Going out of my mind

Oh, I can't understand what you're doing
It's tearing us apart
'Cause I think that you're leavin'

I can't stand the pain
Never loving you again
Baby please, don't tell me that it's over

I can't stand the thought of you
(Going out of my mind)
I can't see me without you
(Here in my mind)

I can't stand the thought of you
Going out of my mind
Going out of my mind

Tell me, tell me, I'm crazy
Tell me, tell me, I'm wrong

I can't stand the thought of you
(Going out of my mind)
I can't see me without you
(Here in my mind)

I can't stand the thought of you
Going out of my mind
Going out of my mind
Going out of my mind
