Do do do do do doo [x3]

[Verse 1]

She's got a lip ring and 5 colours in her hair,  
Not into fashion but I love the clothes she wears,  
Her tattoo's always hidden by her underwear.  
She don't care.

[Chorus]

Everybody wants to know her name,  
I threw a house party and she came  
Everyone asked me  
Who the hell is she?  
That weirdo with 5 colours in her hair.

[Verse 2]

She's just a loner with a sexy attitude,  
I'd like to phone her cos she puts me in the mood.  
The rumours spreading now that she cooks in the nude.  
She don't care. She don't care

[Chorus 2]

Everybody wants to know her name,  
How does she cope with her new found fame?  
Everyone asks me,

Who the hell is she?

That weirdo with 5 colours in her hair.

[Bridge]

She was all I thought about,

The girl I couldn't live without.

But then she went insane,

She couldn't take the fame

She said I was to blame

She'd had enough

And soon five colours all franned out

And now she's just a weirdo with no name.

[Hawaiian Instrumental]

[Chorus]

Everybody wants to know her name.

How does she cope with her new found fame?

Everyone asks me,

Who the hell is she,

That weirdo with 5 colours in her hair.
