Doo doo doo doo

Doo doo

Doo doo doo doo

Doo doo

Doo doo doo doo

Doo doo

Went out with the guys and before my eyes there was  
this girl

She looked so fine and she blew my mind

And I wish that she was mine

And I said, "Hey wait up 'cause I'm off to speak to her"

And my friends said

Everybody wants to know her name

How does she cope with her new found fame

Everyone asked me who the hell is she

That weirdo with five colours in her hair

Na na na na

Na na na na

Na na na na

Na na na na

No

No

I guess the times like these remind me

(The times like these remind me)

I guess the times like these remind me

(Times like these)  
The times like these remind me  
That I've got to keep my feet on the ground

Recently I've been hopelessly reaching out for this girl  
Who's out of this world  
Believe me

But so many nights now I find myself thinking about her  
now

'Cause obviously she's out of my league  
I'm wasting my time 'cause she'll never be mine  
And I know I never will be good enough for her  
No  
No  
I never will be good enough for her

She was all I thought about  
The girl I couldn't live without but then she went insane  
She couldn't take the fame  
She said I was to blame  
She had enough and shaved five colours off  
And now she's just a weirdo with no name

My friend's said  
(Such a pity)  
(Sorry that you lost that girl)  
I let her slip away  
(Such a pity)  
(Sorry that you lost that girl)  
They tell me everyday  
(Such a pity)  
(Sorry that you lost that girl)  
That it will be okay  
Yeah  
She rocks my world  
(Such a pity)  
(Sorry that you lost that girl)  
More than any other girl  
(Such a pity)  
(Sorry that you lost that)  
Dude it's such a pity and I'm sorry that you lost that girl  
And I'm sorry that you lost that girl
