It's all about you
(It's about you)
It's all about you, baby
(It's all about)
It's all about you
(It's about you)
It's all about you

Yesterday you asked me something I thought you knew
So I told you with a smile, it's all about you
Then you whispered in my ear and you told me too
Said you'd make my life worthwhile, it's all about you

And I would answer all your wishes
If you ask me to
But if you deny me one of your kisses
Don't know what I'd do

So hold me close and say three words
Like you used to do
Dancing on the kitchen tiles
It's all about you, yeah

And I would answer all your wishes
If you ask me to
But if you deny me one of your kisses
Don't know what I'd do

So hold me close and say three words
Like you used to do
Dancing on the kitchen tiles
Yes, you make my life worthwhile
So I told you with a smile, it's all about you

It's all about you
(It's about you)
It's all about you, baby
(It's all about)
It's all about you
(It's about you)
It's all about you, baby
(It's all about)

It's all about you
(It's about you)
It's all about you, baby
(It's all about)
It's all about you
(It's about you)
It's all about you
(It's all about you)
