She tastes like cherry cola
She tastes like cherry cola
She tastes like cherry cola
She tastes like cherry cola

It's hot as hell I can't take the heat
Cherry cola
I need a kiss below five degrees
Cherry cola
And I've got the syrup and she's got the soda
Cherry cola
I'm burning but she's getting colder
Cherry cola

She tastes like cherry cola
She tastes like cherry cola
She tastes like cherry cola
She tastes like cherry cola

My lips are dry but who needs a drink
Cherry cola
Yah I like to lick her lips when their pink
Cherry cola
Yeah I get my kicks from your sugar kisses
Cherry cola
Oh I'm a addict and your one of my fixes
Cherry cola
She said would you like to introduce your lips to these
Cherry cola
Yes p.l.e.a.s.e please
Cherry cola
Mm she can blow it and I'll pop her bubble
Cherry cola
Well she looks like she's asking for all kinds of trouble
Cherry cola

She tastes like cherry cola
She tastes like cherry cola
She tastes like cherry cola
She tastes like cherry cola

Instrumental

What?
She tastes like cherry cola
She tastes like cherry cola
Sing it!
She tastes like cherry cola
She tastes like cherry cola

Gotta be gotta be gotta be gotta be gotta be
cherry!
Cherry cola
Coz it don't tastes the same if the cherry is berry
Cherry cola
Oh I got I got I got a obsession
Cherry cola
Sipping you lips is my new profession
Cherry cola

Sing it!
She tastes like cherry cola
What?
She tastes like cherry cola
She tastes she tastes she tastes she tastes
She tastes like cherry cola
She tastes like cherry cola
She tastes like cherry cola
She tastes like cherry cola
She tastes like cherry cola
She tastes like cherry cola
