Crashing into walls  
Banging on your door  
So why'd you let me in  
Falling through the floor  
Diving into deep  
Underneath your skin

So good you got to abuse it  
So fast that sometimes you lose it  
It cheers you up when you feed it  
But everyone needs to eat  
Am I too much for you?  
Cause you're too much for me  
Still wanna be corrupted

Lets convince ourselves  
It's all under control  
A storm that we can break.  
But is this what we want  
Cause we might miss the hate  
You know it feels so good  
To make the same mistakes.  
(Mistakes, mistakes, mistakes, mistakes)

So good you got to abuse it.  
So fast that sometimes you loose it  
It cheers you up when you feed it  
But everyone needs to eat.  
Am I too much for you?  
Cause your too much for me.  
Still wanna be corrupted.

Do you remember how we started?  
Fairytale got twisted and decayed?  
The innocence have long been broken  
How did we get this way?

So good you got to abuse it.  
So fast but sometimes you loose it  
It cheers you up when your feed it  
But everyone needs to eat.  
So good you got to abuse it

So fast but sometimes you loose it  
It cheers you up when your feed it  
But everyone needs to eat.  
Am I too much for you?  
Cause your too much for me.  
Still wanna be, still wanna be corrupted
