One by one
Drinks are gone
Doo i have to stay
Hate the sound
Of one more pound
As it rolls away
Why did i need your proof
When i knew the truth

[chorus]
And i don't know why
I just let it slip by
In all the time
I just wish you had tried

I don't want to know your game
Let alone your name
No matter what
You say to me
We are not the same

Why do you make me cry
Try to justify
To right the wrong
Of my mistakes
Cause my heads held high
And i don't know why
I just let it slip by
In all the time
I just wish you had tried

[chorus]
And i don't know why
I just let it slip by
In all the time
I just wish you had tried

Dreams we have as kids all fade away
Now it's not the same

[guitar solo]

[chorus]
And i don't know why
I just let it slip by
In all the time
I just wish you had tried

[chorus]
And i don't know why
I just let it slip by
In all the time
I just wish you had tried
