Dream on, dream on, dream on  
Live your life as you please  
So long, so long, so long  
To all the critics and the enemies

My sky has turned vanilla  
Like sugar sarsaparilla  
And if only you were nearer  
I'd say

(Chorus)  
Don't wake me up  
Baby I'm in love  
And I'm dreaming so much  
And I don't ever wanna stop  
Don't wake me up  
Don't wake me up  
I don't wanna stop  
So don't wake me up

Give up, give up, give up  
Time to wipe your soul clean  
Someone to love, to love, to love  
Hair like fire, sunset tangerine

The nights are getting colder  
I'm not getting any older  
The chip fell off my shoulder

I won't age a day and you'll all be gray  
And over eighty, baby

(Chorus)  
Don't wake me up  
Baby I'm in love  
And I'm dreaming so much  
But I don't ever wanna stop  
Don't wake me up  
Don't wake me up  
I don't wanna stop  
So don't wake me up

Oh yeah

Don't wake me up  
Baby I'm in love

Don't wake me up  
Baby I'm in love  
And I'm dreaming so much  
But I don't ever wanna stop  
Don't wake me up  
Don't wake me up  
I don't wanna stop  
Don't wake me up  
Don't wake me up  
Don't wake me up  
Don't wake me up
