Hey

I really wanna be friends girl  
I wanna wake up in your world  
I really wanna be saved and I hope it's not too late

I really want you to miss me  
I feel the pain when you kiss me  
I wonder why  
I wonder why we ever called it a day

(Ooh)

(Ooh)

(Ooh)

(Ooh)

Baby we're making a movie

(Ooh)

(Ooh)

(Ooh)

(Ooh)

Stuck in the middle and I don't know why

(Ooh)

(Ooh)

(Ooh)

(Ooh)

There's got to be more to the story

Like the boy gets the girl after saving the world

Lights

Camera

Action and it's good night

Hey

Remember the nickname I gave you  
I don't wanna waste it on strangers  
I don't wanna give it away 'cause it makes no sense at  
all

I gave you the keys to my front door  
So what are you giving them back for  
I wonder why

I wonder why we ever called it a day

(Ooh)

(Ooh)

(Ooh)

(Ooh)

Baby we're making a movie

(Ooh)

(Ooh)

(Ooh)

(Ooh)

Stuck in the middle and I don't know why

(Ooh)

(Ooh)

(Ooh)

(Ooh)

Oh

There's got to be more to the story

Girl I gotta tell you

Feeling much better

Make a little love in the moonlight
