I'm Tom, I'm Dougie, Harry, alright, I'm Danny. Hi!
(Laughs) And, erm

we've just been reading through 6,000, trying to read, fank you very much! Trying to read all of your e-mails, yeah, yeah, well that was 6,048 hours, yeah, we had a laugh reading through 'em, cool, we just read through most of 'em now, thank you very, thank you very much, thank you very, very, very much. Erm OK, yes, so, were gonna start, (laughs) this is part one of the interview, you can get part two on the, on the, er, 7-inch pictor disc, so, you gotta buy that one! It's good as well, yeah, well, I promise! I reckon that's funnier! Shut up! OK then, anyway, here are the questions, coming now, (clears throat), Harry's going to read one out, go on Harry. Am i? OK, cool. Kimberly Ol-I-I-I-I-I-loughlin, Oloughlin, Oloughlin, 'Loughlin, yeah! You have a lovely surname! Erm, (sniggering), OK, this is, I'm gonna ask, I'm gonna ask Tom this one, 'cos I think this relates to Tom, I think, well, er, why do you, why did you choose Obviously to be your second single, Tom, erm, tell me, why, why, do you really wanna know, Harry? '*tell me why*', right, OK, yeah, just basically 'cause, er, we thought it was like a song which really sort of shows off! I dunno! (Laughing) AHAHH! Tom! Oh, no, no, we all really like Obviously and it was sort of, like, everyones favourite song, like when, when, like we were first recording it, and stuff, and er, it's quite, er, I don't think, er, maybe we could, sorry, sorry, I asked it for Tom, yeah, yeah, not Dougie, yeah, I'm joking, give it, give it, do it! Maybe people won't be expecting that, yeah, sorta, like, shows like, a lotta people were just expecting, like another 5 colours sorta thing, up-tempo kinda thing, so we just thought we'd jus kinda chill out a bit, it's just like, we got a few songs like this, sort of like a really... it shows off, like our side of McFly, 'cause we didn't wanna, we didn't wanna really, release our album to you guys if you guys just be like, woah! What the hell's going on? What is that? We thought we'd prepare you to see if you like it. And if you don't then we won't release any more!

But...(laughs) but if you're listening to this, then it means you've bought the single, so... thank you, just shut up! No! (Laughs) Anyway, next question, next question, OK, oh, next question, er, Jessica Price! What kinda girls do you go for, and why? Erm, I like bald-heads really! (Laughs) Who are you asking that question? No, he does, really! Erm... DOUGSTER!! What? Oh, What kinda girls do you go for and why? That's from Jessica Price. It's from Jessica! Erm, girls that are hot?! Hot girls, girls that are hot, hot girls! So you don't like 'em cold? No, no. Oooohh, (claps) eehh, Danny made a joke! (Laughs) Jessica. We go for Jessica! Yeah, and Angela, and Erica, and Rita! We don't really know, well, we like all sorts of girls! Liqueur allsorts! Yeah, that's what we like, yeah! Alright, alright, I got a question, I got a question over here! Ooh, ask me, ask me! OK, Michelle Prichard. Do you have a name for the album yet? I'm going to ask this one to Harry. Ah, cool, thanks Tom! We're gonna call the album Room On The Third Floor, because it's the name of one of the songs! Yeah, and it's a really cool song, an' because me and Danny wrote most of the songs on the album, at a hotel, on the third floor. Yeah, an' it means a lot to us. Yeah, we stayed at a hotel when we were like somethin' like, going around and tryin' to get a record deal an' stuff, an' so, like we were still writing, like, most of our album, and we were sittin', room, in room 3-6-3! (Claps) At the InterContinental hotel. In London, an' we stayed there for, like, a month an' a half, got very bored, because, like, the curtains were, really thick, we didn't know what time of day it was, so we slept in 'till like, 4. I thought you said they were cheap, nylon curtains! Yeah, but we still, but they were still thick! We made that up, Harry! Ooh, slacking song-writers! No, no, 'cause they had a thick, they had a thick, they had a thick layer, an' then near the window they 'ad a really thin one! For the midges! Yeah, just stop, yeah, just stop, stop! OK, next question, Danielle, nah, you should let, Doug, Doug, Doug, you ask the questions. Ask me, Doug! Just keep listening. Do, do, do, do, do, this is eh, this is from Dougie-Quigon-Gin! (Laughs) Who are your new friends foolproof, and what type of music do they sing? Oh, don't ask Dan. For me! Don't ask Danny, I'm gonna pass you over to Danny! Hey guys! Erm... Thanks Dan! (laughs), go on, we, oh no, we met them at a midnight rehearsals place and they were wearing, erm, our merchandise, so, complicatedly, erm, I'm gonna tell the story. It's, alright, hang on a minute, hang on a minute, hang on a minute, I'm gonna cut in,(laughs) 'cause Danny's an idiot, (complicatedly), basically, we

were rehearsing, and foolproof were rehearsing at the same place but they're signed to the same record label as us, and they had a McFly belt on, and they sorta came over and started talking to us, we ended up going over there, Tom fancied one, so we, er, and we just got talking. Danielle Scott-Archer has a really good question. And, erm, I'm gonna ask it! Did we explain what type of music they sing? Oh, yeah, they're a, they're a rock band, sorry, yeah, they're like, e-mo, e-mo-tional rock. OK, so question, Danielle Scott-Archer, er, Danny, heh, what would you like to be reincarnated as? Who, me? Actually, no, Dougie, you answer it, yeah, Dougie, Danny would just say rat, probably, or something! Yeah, yeah. Er, I'd like, actually. SHUT UP! (Laughs) YOU, SHUT UP! (Laughs) Go on. You're banned from talking! Cricket! Ah, (laughs), go on, what would wanna be, go on! I'd like to be reincarnated as a bra, thank you! OK! A bra?! Now leave me alone! OK, I'm, erm, I've got a question from myself. It's from yourself? Yeah! Go on then. 'Cause I read it and found it! Erm, someone wants me to call them. Aah. She's called Sarah Conway. Go on, call her, SARAH CONWAY, '*SARAH CONWAY*', SARAH (claps). Sarah, you're in for a shock! Yeah, so we, we, Danny's, we're gonna call her. So, we're gonna try an', er. I don't, I think I should call her in disguise. Guys, guys, they should'nt have left the numbers. It's all happening now, is the phone working? We have a phone, an' were gonna put it on loud-speaker so you can hear it, it's ringing, d-d-d-l-d-d. Oh, it's ringing! It's Danny from McFly here, you do know that? Come on Sarah, pick up!

Hello?! Is that Sarah? Yeah, who is it? Aright, it's Danny from McFly here! Are ya jokin'?! (Laughs) Nah! Listen. Oh my God! Listen, listen, wait wait a minute, were doing an interview for our B-side on our single. We got your question, and you left your number on the, the question on the website! Yeah, yeah, yeah. So we thought we'd ring you! Oh my God!! (Laughs) Were all here, we got your number! Say, say hello! Hello! (Laughs) Hey. What, what, what, what, what was your question? 'Cause we didn't actually... I know you... Yeah, what's your question? Oh, erm... Well, ask a question. Ask a, ask a question to us. Tell us what was the best bits from your tour with Busted were? The tour, ooh?! Well, the best bits, erm, the best bit was just playing, like, being able to play, arriving at Wembley was good, as well, yeah, Wembley, Danny's birthday at Wembley was awesome! Yeah, and just seeing... Well I'm gonna say happy birthday! Yeah, and seeing how many people... I know they were there for Busted, but...

heh, but people, like, kind of gave us a good reaction. So... thanks, all McFly banners, and, stuff, like, so, did, did, you come? Yeah! I didn't go to Wembley, but I went twice. Ah, cool. Did ya enjoy it? Yeah, I loved seeing you, did ya see my banner, no? Yeah, what did it say? I 'ad a big banner sayin' I love Danny! (Laughs) What about me? What about me? What about me? OK, well, well listen, we've, we've gotta go now, we've gotta get carried on with our work, OK? Aright! So, so, enjoy your day, and take care of yourself! OK! Bye Sarah, bye, bye, bye, yeah, see, don't write anything about me on her banner! Yeah, er, that's the end of part one. To be continued! On the 7-inch disc, yeah, check out part two, on the... It's gonna be better ...7-inch disc, yea-aa-aa-aah! It's gonna be better, it's gonna be better, bigger, with more explosions!
