[Danny]
The time has come to say goodbye,
The sun is setting in the sky,
The truth turned out to be a lie,
It's over, over

Hum yourself a lullaby,
This is the end,
But baby don't you cry,

[Tom]
To take away the melody,
And all that's left are memories
Of lovers, friends and enemies
But they're all faded

You may not remember me
I haven't got the strength to carry on

If this is the last song,
I ever sing,
And I'm giving it everything
I'm giving it all
If this is the last song,

That I ever play,
Then I guess it's time to take
My curtain call
I'm dying to thank you all
I'm dying to thank you all
I'm dying to thank you all
To thank you all
Yeah

So here's to all the lonely hearts,
Cuz' mines been ripped and torn apart
I'm cold and now it's getting dark
But I'll be okay

Bury me with my guitar
And all the way to hell I'll play (Oh)

If this is the last song
I ever sing,
And I'm giving it everything
I'm giving it all

If this is the last song,
That I ever play,
I guess it's time to take
My curtain call
I'm dying to thank you all
I'm dying to thank you all
I'm dying to thank you all
To thank you all
Yeah

One more song before I've got to go
I'm singing
From the very bottom of my soul
And meaning
Every single word and every note
I'm pleading
Let me hear you say it all once more
With feeling

One more song before I've got to go,
I'm singing
From the very bottom of my soul
And meaning
Every single word and every note
I'm pleading
Let me hear you sing it all once more
With feeling

If this is the last song
I ever sing
I'm giving it everything
I'm giving it all
If this is the last song,
I'll ever play
I guess it's time to take
My curtain call

If this is the last song
That I ever sing
I'm giving it everything
I'm giving it all
If this is the last song,
I'll ever play
I guess it's time to say
We thank you all
