Well, I met this girl, just the other day
I hope, I don't regret the things that I said now
And when we're laughin' jokin' with each other now

I'm glad I met this girl, she didn't walk away
I think, she was impressed and was havin' a good time
And when we're laughin' jokin' with each other
Spendin' all our time together

When she walks in the room my heart goes boom
(Ba, ba, ba, ba, ba, da, ba)
When she walks in the room my heart goes
(Ba, ba, ba, ba, ba, da, ba)
I tried to take her home but she said
?You're no good for me?

She's got a pretty face, such a lovely name
I don't want my friends to see
They might take her away from me

She's one I won't forget, for a long, long, long time
Now I really want the world to see
That she is the one for me

Yeah when she walks in the room my heart goes boom
(Ba, ba, ba, ba, ba, da, ba)
Yeah when she walks in the room my heart goes boom
(Ba, ba, ba, ba, ba, da, ba)
I tried to take her home but she said
You're no good for me

The first time that I saw her she stole my heart
And if we were together, nothing could tear us apart
When she walks in the room my heart goes boom
(When she walks in the room my heart goes boom)
Yeah when she walks in the room my heart goes boom
I tried to take her home but she said, ?You're no good
for me?

When she walks in the room my heart goes boom
(Ba ba ba ba ba da ba)
Oh, when she walks in the room my heart goes boom

(Ba ba ba ba ba da ba)

I tried to take her home but she said, ?You're no good
for me?

Ba, ba, ba, ba, ba, da, ba

Ba, ba, ba, ba, ba, da, ba

Ba, ba, ba, ba, ba, da, ba

Ba, ba, ba, ba, ba, da, ba

(Yeah, yeah)

Ba, ba, ba, ba, ba, da, ba

Ba, ba, ba, ba, ba, da, ba

Ba, ba, ba, ba, ba, da, ba

Ba, ba, ba, ba, ba, da, ba

Yeah, yo
