Coming out of my cage  
And I've been doing just fine  
Gotta gotta be down  
Because I want it all

It started out with a kiss  
How did it end up like this?  
It was only a kiss,  
It was only a kiss

Now I'm falling asleep  
And she's calling a cab  
While he's having a smoke  
And she's taking a drag

Now they're going to bed  
And my stomach is sick  
And it's all in my head  
But she's touching his chest now

He takes off her dress now  
Let me go  
'Cos I just can't look it's killing me  
And taking control

Jealousy turning saints into the sea  
Swimming through sick lullabies  
Choking on your alibi  
But it's just the price I pay  
Destiny is calling me  
Open up my eager eyes  
'Cos I'm Mr Brightside

(repeat)

I never  
I never  
I never  
I never
