Every night in my dreams I see you, I feel you.
That is how I know you go on.
Far across the distance and spaces between us
You have come to show you go on.

Near, far, wherever you are.
I believe that the heart does go on.
Once more, you open the door
And you're here in my heart.
And my heart will go on and on.

Love can touch us one time and last for a lifetime.
And never let go till we're gone.
Love was when I loved you, one true time I hold to
In my life we'll always go on.

Near, far, wherever you are.
I believe that the heart does go on.
Once more, you open the door
And you're here in my heart.
And my heart will go on and on.

You're here, there's nothing I fear.
And I know that my heart will go on.
We'll stay forever this way.
You are safe in my heart.
And my heart will go on and on.
