[Tom]

Recently I've been
Hopelessly reachin
Out for this girl
Who's out of this world
Believe me
She's got a boyfriend
He drives her round the bend
Cause he's 23
He's in the marines
He'd kill me

Been so many nights now
I find myself thinkin about her now ohhh

Cause obviously she's out of my league
But how can I win
She keeps draggin me in
And I know I
Never will be good enough for her
No no
I never will be good enough for her

[Danny]

Gotta escape now
Get on a plane now
Yeah
Off to LA
And that's where i'll stay
For two years

I'll put her behind me
(I'll put her
behind me)
And go to a place where she can't find me ohhh

Cause obviously she's out of my league
I'm wastin my time
Cause she'll never be mine
And I know I
Never will be good enough for her
No no

I never will be good enough for her

[Tom]

She's out of my hands

And I never know where I stand

Cause I'm not good enough for her (enough, enough,
enough for her)

Good enough for her, good enough for her

Cause obviously she's out of my league

I'm wastin my time

Cause she'll never be mine

And I know I

Never will be good enough for her

[Danny]

Cause obviously she's out of my league

I'm wastin my time

Cause she'll never be mine

And I know I

Never will be good enough for her

[Tom]

Cause obviously she's out of my league

But how can I win

She keeps draggin me in

And I know I

Never will be good enough for her

Cause obviously she's out of my league

But how can I win

She keeps draggin me in

And I know I

Never will be good enough for her

Cause obviously she's out of my league

I'm wastin my time

Cause she'll ne-ver be mine

And I know I

Never will be good enough for her

No no

I never will be good enough for her
