She walked in and said she didn't wanna know
Anymore (anymore, anymore)
Before I could ask why she was gone out the door
(Out the door, out the door)
And I didn't know, (didn't know, didn't know)
What I did wrong (I did wrong, I did wrong)
But now (but now)
I just (I just)
Can't move on

Since she left me (she left me)
She told me (she told me)
Don't worry (don't worry)
You'll be ok you don't need me
Believe me you'll be fine
Then I knew what she meant
And it's not what she said
Now I can't believe that she's gone

I tried calling her up on her phone
No one's there, (no one's there, no one's home)
I've left messages after the tone...
Really?
Yeah man loads

I didn't know, (didn't know, didn't know)
What I did wrong (I did wrong, I did wrong)
But now (but now)
I just (I just)
Can't move on

Since she left me (she left me)
She told me (she told me)
Don't worry (don't worry)
You'll be ok you don't need me
Believe me you'll be fine
Then I knew what she meant
And it's not what she said
Now I can't believe that she's gone

Well since she left me (she left me)
She told me (she told me)

Don't you worry (don't worry)
You'll be ok you don't need me, no
Believe me, you'll be fine
Then I knew what she meant
And it's not what she said
Now I can't believe she's gone
