She loves you, yeah yeah yeah
She loves you, yeah yeah yeah
She loves you, yeah yeah yeah yeah

You think you've lost your love,
Well I saw her yesterday,
Its you she's thinking of,
And she told me what to say,
She said she loves you,
And you know that can't be bad,
She said she loves you,
And you know you should be glad!

She says you hurt her so,
Well she almost lost her mind,
Now she said she knows,
That you're not the hurting kind,
She said she loves you,
And you know that can't be bad,
Yeah she loves you,
And you know you should be glad!
Ooh!

She loves you, yeah yeah yeah
She loves you, yeah yeah yeah
With a love like that,
You know you should be glad!

Now it's up to you,
Well I think it's only fair,
Pride can't hurt you too,
So apologise to her,
Because she loves you,
And you know that can't be bad,
'cause she loves you,
And you know you should be glad!
Ooh!

She loves you, yeah yeah yeah
She loves you, yeah yeah yeah
With a love like that,
You know you should be glad,

With a love like that,
You know you should be glad,
With a love like that,
You know you should be glad!

Yeah, Yeah, Yeah
Yeah, Yeah, Yeah, Yeah!
