Guess who just got back today
Them wild-eyed boys that had been away
Haven't changed
Haven't much to say but man I still think them cats are
crazy

They were asking if you were around
How you was
Where you could be found
Told them you were living downtown
Driving all the old men crazy

The boys are back in town
The boys are back in town
I said
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town

You know that chick that used to dance a lot
Every night she'd be on the floor shaking what she'd
got
Man when I tell you she was cool
She was red hot
I mean she was steaming

And that time over at Johnny's place
Well this chick got up and she slapped Johnny's face
Man we just fell about the place
If that chick don't want to know
Forget her

The boys are back in town
The boys are back in town
I said
The boys are back in town
The boys are back in town
The boys are back in town

The boys are back in town
The boys are back in town
The boys are back in town

Spread the word around
Guess who's back in town

You spread the word around

Friday night they'll be dressed to kill
Down at Dino's bar and grill
The drink will flow and blood will spill
And if the boys want to fight you'd better let them

That jukebox in the corner
Blasting out my favorite song
The nights are getting warmer
It won't be long
Won't be long 'til summer comes now that the boys are
here again

The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
Spread the word around
The boys are back in town
The boys are back in town
The boy's are back
The boys are back

The boy's are back in town again
Been hanging down at Dino's
The boy's are back in town again
