It hasn't been the best of days  
Since she drove off and left me standing in a haze  
Because I've been so out of order  
Yes, I have been  
My new found love showed up and blew her out the  
water

And it's so not easy  
(I know she'll say)  
I'm sleazy  
(I love the way)  
You please me

I can't believe I've found the girl who turned my life  
around  
She suddenly came on to me  
Pinned me down on the ground  
I could have pushed away but I didn't know what she'd  
say  
But I'm glad I'm not the guy who turned her down

I cut my social life in two  
Yeah  
I quit my city job so I can be here with you  
My friends say I'm a fool in love  
But I'm nothing  
It's worth my while because you're what my dreams are  
made of

'Cause you look like  
(A beauty queen)  
Sucked in by  
(A tractor beam)  
You know I

I can't believe I've found the girl who turned my life  
around  
She suddenly came on to me  
Pinned me down on the ground  
I could've pushed away but I didn't know what she'd  
say

But I'm glad I'm not the guy who turned her down

The years go by  
(As the years go by)  
I wonder why  
(I start to wonder why)  
She happened to me  
(Ba da ba ba)  
So glad that she met me  
(Ba da ba ba)  
And life without you baby  
Just don't know where I would be

I can't believe I've found the girl who turned my life  
around  
She suddenly came on to me  
Pinned me down on the ground  
I could've pushed away but I didn't know what she'd  
say  
But I'm glad I'm not the guy who turned her down  
(Down down down down)  
Yeah  
I'm glad I'm not the guy who turned her down  
(Down down down down)  
Well I'm glad I'm not the guy who turned her down
