The ladies bras,
The ladies bras,
The ladies knickers,
And the ladies bras.

The ladies bras,
The ladies bras,
The ladies knickers,
And the ladies bras.

The ladies bras,
The ladies bras,
The ladies knickers,
And the ladies bras.

The ladies boobs,
The ladies bums,
The ladies bras and the bums and the knickers and the
bums and bras,
The ladies bras,
The ladies knickers,
And the ladies bras.

The ladies bras,
The ladies bras,
The ladies knickers,
When do I stop?

And the ladies bras,
The ladies bras,
The ladies knickers,
And the ladies bras.
