

McFly "The Last Song"

Visit "[The Last Song](#)" on MotoLyrics.com

The time has come to say goodbye,
The sun is setting in the sky,
The truth turned out to be a lie,
It's over, over
Hum yourself a lullaby,
This is the end,
But baby don't you cry,
To take away the melody,
And all that's left are memories
Of lovers, friends and enemies
But they're all faded
You may not remember me
I haven't got the strength to carry on
If this is the last song,
I ever sing,
Then I'm giving it everything
I'm giving it all
If this is the last song,
That I ever play,
Then I guess it's time to take
My curtain call
I'm dying to thank you all
I'm dying to thank you all
I'm dying to thank you all
To thank you all
Yeah
So here's to all the lonely hearts,
Cuz' mines been ripped and torn apart
I'm cold and now it's getting dark
But I'll be okay
Bury me with my guitar
And all the way to hell I'll play
if this is the last song,
I ever sing,
Then I'm giving it everything
I'm giving it all
If this is the last song,
That I ever play,
Then I guess it's time to take
My curtain call
I'm dying to thank you all
I'm dying to thank you all

I'm dying to thank you all
To thank you all
Yeah
One more song before I've got to go
I'm singing
From the very bottom of my soul
And hearing
Every single word and every note
I'm pleading
Let me hear you sing it out once more
With feeling
One more song before I've got to go,
I'm singing
From the very bottom of my soul
And hear me now
Every single word and every note
I'm pleading
Let me hear you sing it out once more
With feeling
If this is the last song
That I ever sing
Then I'm giving it everything
I'm giving it all
If this is the last song,
I'll ever play
Then I guess it's time to take
My curtain call
If this is the last song
That I ever sing
And I'm giving it everything
I'm giving it all
If this is the last song,
I'll ever play
Then I guess it's time to say
We thank you all
