[tom verse 1]

Anne Boleyn she kept a tin,  
Which all her hopes and dreams were in,  
She plans to run away with him, forever (never to be  
seen again)  
Leaves a note and starts to choke,  
And feel the lump that's in her throat,  
It's raining and she leaves her coat in silence.

We're sorry but we disagree  
The boy is vermin, can't you see?  
We're drowning sins and misery  
Ripping about the history

[Chorus (Dougie):]

People marching to the drums,  
Everybody's having fun to the sound of love,  
Ugly is the world we're in  
If I'm right and prove me wrong  
I'm stunned (to find a place we belong)

Who is your lover,  
I couldn't tell,  
When hell freezes over,  
That's when I tell,  
Who is your lover,  
I couldn't tell,  
When will this stop.

[Verse 2 (Tom):]

Racing,  
Pacing,  
In the dark,  
She's searching for a lonely heart,  
She finds him but his heart had stopped,  
She breaks down.

Sorry but your majesty,  
Refusing orders from the queen  
Has upset her monstrosity

[Harry]

Remembers a voice and hears him sing

[Chorus (Dougie):]

People marching to the drums,  
Everybody's having fun to the sound of love,  
Ugly is the world we're all in  
If I'm right and prove me wrong  
I'm stunned (to find a place we belong)

Who is your lover,  
I couldn't tell,  
When hell freezes over,  
That's when I tell,  
Who is your lover,  
I couldn't tell,  
When will this stop.

[Guitar solo]

People marching to the drums,  
Everybody's having fun to the sound of love,  
Ugly is the world we're all in  
If I'm right and prove me wrong  
I'm stunned (to find a place we belong)

Who is your lover,  
I couldn't tell,  
When hell freezes over,  
That's when I tell,  
Who is your lover,  
I couldn't tell,  
When will this stop.

[Repeat till the end]

When will this stop!
