Some people laugh, and some people cry  
Some people live, and some people die  
Some people run right into the fire  
Some people hide their every desire

But we are the lovers, if you don't believe me then just  
look into my eyes coz the heart never lies

Some people fight, and some people fall  
Others pretend they can't at all  
If you wanna fight, I stand right beside you  
The day that you fall, I'll be right behind you  
so pick up the pieces, if you don't believe me just look  
into my eyes coz the heart never lies

Whoaaaaah

Another year's over and we're still together  
It's not always easy running forever  
But we're the lovers, I know you believe me when you  
look into my eyes because the heart never lies

We are the lovers and now you believe me when you  
look into my eyes because the heart never lies

oh oh oh oh

Another year's over and we're still together  
It's not always easy running forever  
Yes we are the lovers, I know you believe me when you  
look into my eyes  
Because the heart never lies (x3)
