Is it me or is my life a chain of unforgiving tasks
Is it you and do you have the life that no one really
asks?

You should know by now
You should know by now
That I can't forgive you

You should know by now
You should know by now
That I can't forgive you

Oh, I can't forgive you

Is it me or is it time to take a look in who I choose
When you have everything you got everything to lose

You should know by now
You should know by now

That I can't forgive you

You should know by now
You should know by now
That I can't forgive you

Oh, I can't forgive you
Oh, I can't forgive you
I can't forgive you
I can't forgive you
I can't forgive you

You should know by now
You should know by now
That I can't forgive you (4x)
