[Danny]

I got chills
They're multiplyin'
And I'm losin' control
'Cause the power
You're supplyin'
It's electrifyin'

[Tom]

You better shape up
'Cause I need a man
And my heart is set on you
You better shape up
You better understand
To my heart I must be true
Nothin' left, nothin' left for me to do

[All]

You're the one that I want
You are the one I want
You're the one that I want
You are the one I want
You're the one that I want
You are the one I want
Are what I need
Oh, yes, indeed

[Tom]

If you're filled with affection
You're too shy to convey
Meditate in my direction
Feel your way

[Danny]

I better shape up
'Cause you need a man
Who can keep you satisfied
I better shape up
If I'm gonna prove

That your faith is justified

[All]
Are you sure?
Yes, I'm sure down deep inside

You're the one that I want
You are the one I want
You're the one that I want
You are the one I want
You're the one that I want
You are the one I want
Are what I need
Oh, yes, indeed

You're the one that I want
You are the one I want
You're the one that I want
You are the one I want
You're the one that I want
You are the one I want
Are what I need
Oh, yes, indeed

You're the one that I want
You are the one I want
You're the one that I want
You are the one I want
You're the one that I want
You are the one I want
Are what I need
Oh, yes, indeed

You're the one that I want
You are the one I want...
