Blue skies, blue skies
Smiling at me now, how now
Nothing but blue skies do I see
Spring is here, Spring is here,
Bluebirds, nothing but bluebirds
Singing a song, all the day long
Got bluebirds singing all day long.
La la la, la la la
I never saw the sun shining so bright
Oh, I Never saw things going so right
Noticing the days hurrying by
When you're in love, my, my how they fly.
Blue days, all of them gone now
I see only blues skies, blues skies

Nothing but blue skies now
Oh, blue skies smiling at me
Nothing but blue skies do I see
Bluebirds singing a song
Nothing but bluebirds from now on
Never saw the sun shining so bright
Never saw things going so right
Noticing the days hurrying by
When you're in love, my, my how they fly
Blue days, each one of them gone
Nothing but blue skies from now on
Nothing but blue skies
Want to see blue skies
Nothing but blue skies from now on
