One day while I was thinking
On unseen things above
The Savior spoke unto me
And filled my heart with love

I used to have some people
Who walked and talked with me
But since I've been converted
They've turned their backs on me

Some say give me silver
Some say give me gold
I say give me Jesus
Who saved my dying soul

I'll take this gospel trumpet
And I'll begin to blow
Oh Lord if you will help me
I'll blow it wherever I go

I'm gonna die on the battlefield
I'm gonna die in the war
I'm gonna die on the battlefield
With glory in my soul
