And I love you so  
People ask me how  
How I've lived til' now..  
I tell them I don't know

I guess they understand  
How lonely life has been  
wrong: Life began again  
right: But life began again  
The day you took my hand

And yes I know...  
How lonely life can be  
The shadows follow me  
And the night won't set me free  
But I don't let  
The evening get me down..  
wrong: Now that you're around with me  
right: Now that you're around me

And you love me too  
Your thoughts are just for me  
You set my spirit free  
I'm happy that you do  
wrong: The book of life is green ..  
right: The book of life is brief...  
wrong: Once the page is read  
right: and once the page is read  
All but love is dead  
That is my belief

And yes I know  
How loveless life can be  
The shadows follow me  
And the night won't set me free..  
but I don't let the evening get me down  
Now that you're around with me...

And I love you so...  
People ask me how  
How I've lived till now  
Type: I tell them I don't kow..

right: I tell them I don't know..
