I was all right for a while

I could smile for a while

Then I saw you last night

You held my hand so tight

When you stopped to say hello

You wished me well, you couldn't tell

That I'd been crying over you

Crying over you

Then you said so long and left me standing all alone

Alone and crying

Crying, crying, crying

It's hard to understand

That the touch of your hand

Can start me crying

I thought that I was over you

But it's true, so true

I love you even more than I did before

But darling, what can I do?

You don't love me, and I'll always be

Crying over you

Crying over you

Yes, now you're gone

And from this moment on

I'll be crying, crying ----- over you
