"Till Tomorrow"

Visit "[Till Tomorrow](#)" on MotoLyrics.com

What can this be, can you tell me?

would you like to discover

why we're not free to be lovers

I've been wanting to ask you

where has all the love gone

and what have we become

storm clouds full of thunder

move silent as they drum

and when they're gone

we'll be fine, till tomorrow

Oh, I hope it won't rain

you will be mine

and my sorrow

will take wings in the morning

high above the heavens

a rainbow paints the sky

white doves sing their songs of love

I watch them as they fly, and wonder

what can this be, can you tell me

would you like to discover

why we're not free to be lovers
