Maybe I'm a coward, I'm only scared of you
Or maybe I'm just tired of living here
I'm alive, and I'm aware
Of what's going on around here
Cause I'm a coward
I'm neurotic
I'm just tired of living in here
I'm depressive I'm obsessive
I'm just tired of living in fear
Maybe my depression
Is all in my head
Maybe my obsession
To feel sorry for myself
I'm alive and I'm aware
Of what's going on around here
Cause I'm a coward
I'm neurotic
I'm just tired of living in here
I'm depressive I'm obsessive
I'm just tired of living in fear
I'm a coward
Maybe I'm a coward
I'm only scared of you
Yes I'm scared of you
Cause I'm alive and I'm aware
Of what's going on around here
I'm a coward
I'm neurotic
I'm just tired of living in here
I'm depressive
I'm obsessive
I'm just tired of living in fear
