I spoke too fast about my past  
I had a blast, I talk in circles  
Speech impaired I'm not quite clear of what I'm saying  
I run in circles  
Around myself  
Crazy mirror of me oh  
The only question is for myself oh  
And my question would be  
Oh oh oh what am I doing here  
I am not aware the damage here may be  
Too far beyond repair  
All I do is think of you  
I'm too consumed, can't always have you  
Around myself  
Crazy mirror of me oh  
The only question is for myself oh  
And my question would be  
Oh oh oh what am I doing here  
What am I doing here  
Crazy mirror of me oh  
The only question is for myself oh  
And my question would be  
Oh oh oh what am I doing here  
What am I doing here
