I lost my friend

Near the water

And I loved her, though she left me

She smiled, she kissed me, she swam away

I loved my friend

Near the water

She loves me

I'll crouch beneath the boat

I'll learn to breathe

When I fall asleep

I want to die in water

I'll crouch beneath the boat

I'll learn to swim

Soon I'll have fins

I wanna die in water

Every time I turn around

And I'm scared they'll see me

And every time I turn around

There's still no smile

And my eyes they hurt

From all the rubbing

And my mind it hurts  
From my eyes  
I'll crouch beneath the boat  
I'll learn to breathe  
When I fall asleep  
I want to die in water  
I'll crouch beneath the boat  
I'll learn to swim  
Soon I'll have fins  
I wanna die in water  
She love me  
I'll crouch beneath the boat  
I'll learn to breathe  
When I fall asleep  
I want to die in water  
I'll crouch beneath the boat  
I'll learn to swim  
Soon I'll have fins
