Mirror, mirror, on the wall  
A vain bunch aren't we all  
Staring back, across the room  
Our eyes meet yet once more

Hoo ha, hoo ha!

Picture, picture, through the lens  
Time under duress  
Only now, I failed to see  
The shoes didn't match the dress

Is there something  
In the mirror  
We can't see?

Now it's too bad you can't close your eyes and make it  
go away  
All the wicked spells have served you well, we're bound  
to live with the

Hoo ha, hoo ha

All of this fuss, such a tiny thing,  
Câ€™mon you'll have to get a move on  
(Have to get a move on)  
Why all this fuss over tiny things  
Yes you'll have to get a move on  
(Have to get a move on)  
(Have to get a)

Now it's too bad you can't close your eyes and make it  
go away  
All the wicked spells have served you well  
We're bound by disarray

La la la, la la la,  
La la la, la la

Is there something  
In the mirror  
We can't see?

Now it's too bad you can't close your eyes and make it  
go away  
All the wicked spells with all their charm are bound by  
disarray

La la la, la la la,  
La la la, la la la,  
La la la, la la la,  
La la la, la la la

Hoo ha, hoo ha  
Hoo ha, hoo ha
