Sometimes i wonder  
why people suffer  
why all the pain and sorrow?  
So much injustice  
weeping and sadness  
here in our world today.

Chorus pain wont be here for ever ( ah ah ah)  
sadness will turn to laughter (ah ah ah)  
mourning will turn to dancing and our tears will be  
wiped away.

looking around me  
i see such anger  
why must we hurt each other?  
so many people  
living in sadness  
here in our world today.

Chorus pain wont be here forever (ah ah ah)  
sadness will turn to laughter (ah ah ah)  
mourning will turn to dancing and our tears will be  
wiped away

### INSTRUMENTAL

Chorus pain wont be here for ever (ah ah ah)  
sadness will turn to laughter (ah ah ah)  
mourning will turn to dancing and our tears will be  
wiped away.

where there is headache  
where there is grieving  
i want to feel compassion  
may i give comfort  
where there is hurting  
may i bring love again
