Sometimes I wonder
Why people suffer
Why all the pain and sorrow?
So much injustice
Weeping and sadness
Here in our world today.

Chorus
Pain wont be here forever (ah ah ah)
Sadness will turn to laughter (ah ah ah)
Mourning will turn to dancing and our tears will be
wiped away.

Looking around me
I see such anger
Why must we hurt each other?
So many people
Living in sadness
Here in our world today.

Chorus
Pain wont be here forever (ah ah ah)
Sadness will turn to laughter (ah ah ah)
Mourning will turn to dancing and our tears will be
wiped away

INSTRUMENTAL

Chorus
Pain wont be here forever (ah ah ah)
Sadness will turn to laughter (ah ah ah)
Mourning will turn to dancing and our tears will be
wiped away.

Where there is heartache
Where there is grieving
I want to feel compassion
May I give comfort
Where there is hurting
May I bring love again
