As the Family Solicitor  
As the Family Solicitor  
As the Family Solici -  
Here's my advice to you.  
Here's my advice to you,

As the Family Solicitor -  
As the Family Solicitor  
Duchess:

Here's what you ought to do,  
[spoken]

For six and eight  
Yes thank you Parchester, that will do.  
I'll put you straight

If anything goes wrong

For I contend you must pretend  
That life is one sweet song.

So, sing a little and dance a little,  
Be gay a little and play a little,  
Bring your troubles more and more  
To the Family Solicitor.  
Say a little and think a little  
And eat a little and drink a little,  
Keep a drop of the 'ninety-four'  
For the Family Solicitor!

He'll take all your cases,  
Keep you in your places,  
Maybe save your faces,  
Ha! Ha! Ha! Ha! Ha! Ha! Ha!

Hop a little and skip a little  
And jump a little, let rip a little.  
Thank your lucky stars once more  
For the Family, the Family,  
The Family Solicitor.

He'll take all our cases,  
Keep us in our places.  
Maybe save our faces!  
Ha! Ha! Ha! Ha! Ha! Ha! Ha!

Sing a little and dance a little,  
Be gay a little and play a little,  
Bring your troubles more and more  
To the Family Solicitor!

For the Family (Ha! Ha! Ha! Ha! Ha! Ha! Ha! Ha!)  
The Family (Ha! Ha! Ha! Ha! Ha! Ha! Ha! Ha!)  
For the Family Solici(tor.)

The Family Solicitor,  
The Family Solicitor,  
The Family Solicitor.

The Family Solicitor.
